TCCRA NEWS

Great Series Start!!!

Wow, it has been a wild season so far, but we've managed to get thru five races despite all the obstacles Mother Nature has thrown at us. The promoters hard work setting up the tracks has almost been in vain due to all the rain we've received. If not for the hard work of our track crew we might not have been able to have gotten our races in. Many of you don't know that they are out late Saturday night and back again way before daylight Sunday morning doing whatever track reroutes they have to do. Then, during the race programs on Sunday they are out making changes to the track as conditions change, in spite of having their own races to ride. Good examples of this would be Rocky Ridge, Thackerville and Poolville.

We have witnessed many good competitive races in the various classes so far and we're looking forward to many more as the year goes on.

As you go about your race preparation don't forget to visit our Title sponsor Fly Racing, and our Super Dealers Action Motorsports and SLM Racing. PBJ Photographer Jeff Cox has been taking pictures and supplying Tee Shirts and trophies. Oh, and if you haven't noticed, Mr. Jeff has started riding again, and he has a wedding coming up on June 4th. Congratulations to him and good luck to him and Brenda.

Our sponsors have really gone all out for us this year and we need to thank them by giving them our business. Please check the TCCRA home page for a complete list of sponsors. For those who have asked, we are now getting Rocky Mountain ATV gift cards in the mail.

On May10th, one of our series sponsors and friend, Brian Storrie, had his Denton shop hit by a tornado. Please keep Brain and the SMS family in your thoughts as they go thru the process of repairing the shop.

Here we are coming up to the end of May and guess what ...its graduation time. Congratulations to all our members who have balanced racing and school and are about to enter into a new exciting phase of their lives. Good Luck.

A bit of special recognition to a couple or three of our racers, Markie Koch, class of 2015, Connor Deen Class of 2015, Robert Pennington Class of 2015. Also, former ladies champ Miss Chantelle James who is graduating from the University of Oklahoma Law School. Well done! I know I missed several just shoot me an e-mail so I can recognize your accomplishment.

Stay tuned for our next edition, lots more stuff to come.
